**IRIDIMI CAMP**, north-east Tchad  
Refugees from Darfur

**Feb.2005: 1<sup>st</sup> CookKit demonstrations**

**May 2007:**

**all 4500 households  
use CooKits**

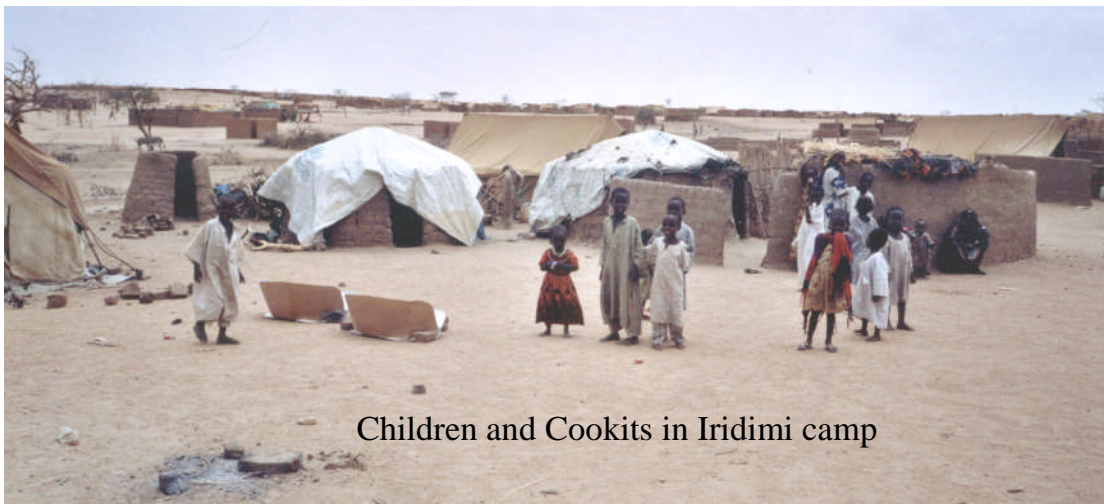

in daytime you find the sun cooking food in CooKits everywhere in Iridimi camp

the CooKits are manufactured by the refugee women themselves, 1000 CooKits per month

Children and Cookits in Iridimi camp

The Tchadsolaire (ex-SVAAKO) team won the PRICE of HUMANITY from the Immortal Chaplains Foundation (USA)

2 little girls searched this small heap of wood outside the camp where their mothers don't dare to go anymore

CooKit windproof

solar tea

one learns when one is young

When the training of all women in Iridimi camp was finished (May 2007) and all of them possessed 2 CooKits, they proposed to celebrate this at an **Id el Tachashumshir** (the staff counted 4200 CooKits in the sun)
