

# The Sustainability Trust

'Rotarians for Sustainability & Carbon Reduction'

## A Global Rotary Club Project

Please Ask your Club to become a Sustaining Member of the Trust. Each US \$100 donation goes directly to the South Africa Solar Cooker 2010 Project AND - your Club receives a certificate & joins our email priority list to expand Sustainability throughout the Rotary World

Below - the ladies of Uganda learn how to cook by solar, led by Fresno Rotary Club, California

Above: Lorna Milligan, of Fresno Club, builds a solar cooker in Oaxaca, Oa, Mexico and below - the cooker is explained to a watching group.

Above - Jonathan Porritt CBE is shown a solar cooker by Cheltenham Sunrise Club's Bob Gower. Below: Harrogate Club's tree-planting in Nidderdale Forest secures carbon in the peat and absorbs CO2

Rotarians around the world are playing their part to create a sustainable planet and provide humanitarian aid.

Please support our big push in 2010 to provide solar cooking in AIDS/HIV stricken communities in South African Townships via Grahamstown Sunset and Kirstenbosch (Cape Town) Rotary Clubs

Encourage your Rotary Club to become a Sustaining Member of the Trust and directly sponsor this great project.

Only US \$100 for your Club - or you personally - to join and become part of a growing world-wide team of concerned Clubs determined to make a Difference.

Visit [www.TheSustainabilityTrust.org/projects.htm](http://www.TheSustainabilityTrust.org/projects.htm) to learn more about the South Africa Solar Cooker 2010 project and become a Sustaining Member Club or individual by clicking on DONATE. The Trust aims to get Clubs around the world working together on humanitarian projects that will make our planet sustainable for future generations

Offset your personal carbon emissions by donating to a Rotary Club project at the Trust website

The Sustainability Trust - The CO2 Offset Trust, has been founded by 11 Rotary Clubs on five continents. The Trust is a registered charity in the UK, number 1122835. If surplus funds are raised by this appeal, they will go to the next similar Trust project
